

Как подобрать журнал Wiley для публикации своей статьи

1. Зайдите на сайт Wiley Online Library, доступный с любого компьютера:
<https://onlinelibrary.wiley.com/>
2. Прокроллируйте домашнюю страницу вниз до предметного указателя Subjects:

The screenshot shows the Wiley Online Library homepage. At the top, there is a navigation bar with the Wiley logo, the text "Wiley Online Library", and a "Login / Register" link. Below this is a large banner with the tagline "Accelerating research discovery to shape a better future" and "Today's research, tomorrow's innovation". A search bar is prominently displayed in the center of the banner, with the placeholder text "Search publications, articles, keywords, etc." and a magnifying glass icon. To the right of the search bar is a link to "Advanced Search". Below the banner, there are three statistics: "1,600+ Journals", "200+ Reference Works", and "21,000+ Online Books". Underneath these statistics is a "Resources" section with four columns: "Researchers" (Register online, Discover tools and manage alerts, Learn about how to access), "Librarians" (Manage your account, View products and solutions, Find resources and support), "Societies" (Publish with Wiley, Explore our resource library, Learn about topics and trends), and "Authors" (Submit a paper, Track your article, Learn about Open Access). At the bottom of the screenshot, the "Subjects" dropdown menu is open, showing a list of subject categories: "Agriculture, Aquaculture & Food Science", "Architecture & Planning", and "Art & Applied". The "Subjects" header is highlighted with a red box.

3. Выберите подходящий для вашей работы предмет/науку и нажмите на заголовок.

В открывшемся более детализированном списке предметных направлений выберите одно и нажмите на его название:
